Evans named to OCATS class of 2018

Cindy Evans, Fulton County Job and Family Services Information Technology Coordinator, was recently recognized for being a member of the Ohio Department of Job and Family Services (ODJFS) Ohio County Agency Technical Strategy Committee (OCATS) for 2018. The OCATS Committee is a forum for the Ohio Office of Information Services and County Agencies to discuss, review and prioritize information technology services and support matters in an effort to improve communication and coordination between ODJFS and its partner agencies. The membership strives to bring in diverse representation from across the state with county agencies of different types and sizes.

Cindy Evans, Fulton County Job and Family Services, was recently named to the OCATS class of 2018. Evans is pictured to the far right, in the front row.

Fulton County Soldiers' and Sailors' Monument receives a facelift

The Fulton County Soldiers' and Sailors' Monument standing in front of the Fulton County Courthouse is receiving a facelift. Crews are working to clean, restore and refresh this monument which stands in memory and honor of those who had served in the Civil War.

The above plaques, which are located on all sides of the base of the monument, show much wear and weather. These plaques listing the names of Civil War soldiers from Fulton County are being restored as a part of the refurbishment project. The photo to the left shows crews beginning to work on restoring the monument.
