RE: Recall Announcement (ODA/ODH) 2019-010

Ottogi America, Inc. Issues Allergy Alert on Undeclared Egg in Products

Ottogi America, Inc. announced today it is recalling below 21 items due to a possibility of containing egg ingredient undeclared on the packages. People who have an allergy or severe sensitivity to eggs run the risk of serious or life-threatening allergic reaction if they consume these products.

Some of these items possibly contain egg based on the test result conducted by CFIA (Canadian Food Inspection Agency) and have been recalled in Canada. Thereafter, listed 21 items with the range of "BEST BEFORE" date on the above table have been recalled, which were delivered to nationwide in retail stores. No other products of any other size or similarity were affected.

Packaging material of "CUP" and "Bowl" items are paper and wrapped by plastic. All other items are in plastic bag. "BEST BEFORE DATE" can be found on the bottom of "CUP" and "BOWL" items. It can be also found on the front of package for all other items

No illnesses have been reported to date in connection with this problem. Distribution and selling these products have been suspended until FDA and the company are certain that the problem has been corrected.

Consumers who have purchased any of items in the above list are urged to return them to the place of purchase for a full refund. Consumers with questions may contact the company at 1-310-324-1094. (Monday – Friday from 8: 00AM to 5:00PM PST)
