

**PERMIT TO OCCUPY TOWNSHIP ROAD RIGHT OF WAY
FULTON COUNTY, OHIO**

I hereby request permission to install and/or maintain _____ along
and/or under the right-of-way of Road _____, _____ miles, _____ from Road _____
(Type of Installation)
(Distance) (Direction)

The **Permittee** agrees to pay for any and all damages to the road rights-of-way including ditches, tile drains, drainage structures, pavements, bridges, culverts and other appurtenances that are the result of the proposed installation activity or damages to the right-of-way that may be caused by any future maintenance or repairs of their facilities. The contractor shall be responsible to return the landowners' frontage to its original condition or better. It is understood that a bond may be required in an amount determined by the **County Engineer** to cover all damages that may accrue as a result of the installation or maintenance activity proposed.

Further, it is understood that the **Permittee** will be responsible for the control of traffic and the safety of the general public. It is agreed that all traffic control signing shall conform to all provisions of the Ohio Department of Transportation regulations, the Ohio Manual of Uniform Traffic Control Devices, and any specific supplemental specifications that may be required by the **County Engineer**.

Further, the **Permittee** is responsible for contacting all utilities that may have facilities that could be affected by the work proposed.

The **Permittee** agrees to hold harmless, indemnify and defend the **Township Trustees, Fulton County**, its commissioners, officers, employees, and agents against any and all claims, losses, damages, or law suits for damages arising from, allegedly arising from, or in any way related to the work to be performed in conjunction with this permit. A certificate of insurance may be required.

The **Permittee** agrees to place their facilities, including poles, pedestals, manholes, fire hydrants, etc., at a location to not inconvenience a property owner. (Keep pedestals away from drives and avoid placing in front yards, etc.)

Finally, the **Permittee** agrees that should any future right-of-way improvements or repairs be undertaken by **Township Trustees or Fulton County**, or in the event **Township Trustees or Fulton County** widens, repairs or reconstructs any roadway, regardless of whether those activities require **Township Trustees or Fulton County** to obtain or procure additional right-of-way subsequent to the date of the execution of this Permit, the **Permittee** will be required to make any necessary repairs or relocations of their facilities promptly at their expense if the **County Engineer** determines, in his sole discretion, that Permittee's facilities are in conflict with the improvements, widening, repairs or construction proposed. Furthermore, and notwithstanding the above, **Permittee** further agrees and acknowledges that it does not and shall not have any ability or authority to control or impede **Township Trustees or Fulton County's** improvement, widening, repair or reconstruction activities.

This permit may at any time be revoked or annulled by the **Township Trustees and/or Fulton County** for non-performance of or noncompliance with any of the said conditions, restrictions and regulations thereof. The permit automatically transfers to future owners of the facilities installed and automatically expires should facilities be removed. This permit shall become void if the proposed installation/work is not completed within one (1) year of the approval date.

Appropriate plans, specifications, maps and schematic drawings are attached.

Approval may take up to 3 weeks
