## ADDENDUM 1

### Replacement of Bridge 10-2K.3

**RE:** Reinforced Concrete Approach Slabs (T=13"), Guardrail Item Number

1. Ref. No. 47 Item 526 Reinforced Concrete Approach Slabs (T=13")

The quantity and units for Ref. No. 47 Item 526 Reinforced Concrete Approach Slabs (T=13") as shown in Pavement Table "P" on plan sheet 4 of 16 are correct. The quantity carried forward to the General Summary (plan sheet 9 of 16) and Proposal Unit Price Bid Schedule (proposal sheet 9) is also correct; however, the units are shown incorrectly in these two locations. The units shall be Square Yards, not Cubic Yards.

2. Ref. No.'s 7, 8, & 9 Guardrail

Reference Numbers 7, 8, and 9 (Guardrail, Type 5; Anchor Assembly, Type A; and Bridge Terminal Assembly, Type TST, respectively) shall refer to Item Number 606, not 603 as shown in the General Summary (plan sheet 4 of 16) and Proposal Unit Price Bid Schedule (proposal sheet 7). The Item Number is correct for these three references in Guardrail Table "G" on plan sheet 4 of 16.

End of addendum.
