

HOUSEHOLD HAZARDOUS WASTE DAY 2013

Household hazardous wastes are products that contain corrosive, toxic, ignitable, or reactive ingredients. Improper disposal of these wastes might not be immediately obvious, but improper disposal can pollute our environment, and pose a major threat to human health in our community.

North Star BlueScope Steel LLC wants the community to dispose of these hazardous wastes in a **safe and convenient manner**. North Star BlueScope Steel LLC will be sponsoring a household hazardous waste collection drive on **Saturday November 16th, 2013, between 9am and 2pm**. You can bring your wastes to the plant entrances and will be directed to the drop off location. North Star BlueScope Steel LLC is located at **6767 County Rd. 9, Delta, Ohio 43515**.

We will be accepting the following material:

- Scrap Metal
