CLARIFICATION

Reconstruction of Fulton County Road T Between Road 7 and SR64

The bid opening for the above referenced project is Monday, March 12, 2012 at 9:30 a.m. at the Fulton County Commissioners Office as advertised. When we review the bids submitted for determination of the lowest and best bid, all items listed in the Bid Schedule will be considered. However, when performing the construction, Reference No. 66 Railing (Deep Beam Rail With Tubular Backup, Type 2 Post and Anchor Bolts) will be non-performed. It is understood that bridge terminal assemblies were inadvertently omitted from the Bid Schedule. We will negotiate with the successful bidder for the additional cost to provide these terminal assemblies so their cost shall not be included under another bid item.
