

Fulton County Veteran of the Year

**The Fulton County Veterans Service Office is hosting the 2018 Veteran of Year Award and Banquet December 8, 2018 at the Delta American Legion, Post 373.
Doors open at 5pm.**

Recipients must have served honorably in and discharged from the Armed Forces of the United States under those conditions as outlined by both Federal and State law. They must reside in Fulton County and they must perform their service to the community in a volunteer status. The service recognized may, but is not required, to support other Veterans. Service of many different types for the benefit of any resident of Fulton County is considered worthy of consideration for recognition.

In addition we are honoring the families of those Fulton County Veterans who were KIA during the Vietnam War.

Veterans and the public are invited to attend.
