FULTON COUNTY, OHIO**

I hereby request permission to install and/or maintain _____
(Type of Installation)

It is understood that a bond may be required in an amount determined by the **County Engineer** to cover all damages that may accrue as a result of the installation or maintenance activity proposed.

Further, it is understood that the **Permittee** will be responsible for the control of traffic and the safety of the general public. It is agreed that all traffic control signing shall conform to all provisions of the Ohio Department of Transportation regulations, the Ohio Manual of Uniform Traffic Control Devices, and any specific supplemental specifications that may be required by the **County Engineer**.

Further, the **Permittee** is responsible for contacting all utilities that may have facilities that could be affected by the work proposed.
